A Jewish man moves into a Catholic
 neighborhood. Every Friday the
 Catholics go crazy because, while
 they're morosely eating fish, the Jew is
 outside barbecuing steaks. So the
 Catholics work on the Jew to convert
 him. Finally, by threats and pleading,
 the Catholics succeed. They take the
 Jew to a priest who sprinkles holy water
 on the Jew and intones: "Born a Jew
Raised a JewNow a Catholic."
 The Catholics are ecstatic. No more
 delicious, but maddening smells every
 Friday evening. But the next Friday
 evening, the scent of barbecue wafts
 through the neighborhood. The
 Catholics all rush to the Jew's house to
 remind him of his new diet. They see
 him standing over the cooking steak.
 He is sprinkling water on the meat and
 saying: "Born a cowRaised a cow
Now a fish."

In this time of crisis for Israel, we
 must express solidarity with her
 people and also take a stand on the
 ethics of the conflict. As a
 contribution to the debate, we are
 reproducing the manifesto of the
 320 reserve army officers. Other
 viewpoints are welcome.

The Reservists' Statement

- We, reserve combat officers and soldiers of the Israel Defence Forces, who were raised upon the principles of Zionism, sacrifice and giving to the people of Israel and to the State of Israel, who have always served in the front lines, and who were the first to carry out any mission, light or heavy, in order to protect the State of Israel and strengthen it.
- We, combat officers and soldiers who have served the State of Israel for long weeks every year, in spite of the dear cost to our personal lives, have been on reserve duty all over the Occupied Territories, and were issued commands and directives that had nothing to do with the security of our country, and that had the sole purpose of perpetuating our control over the Palestinian people. We, whose eyes have seen the bloody toll this Occupation exacts from both sides.
- We, who sensed how the commands issued to us in the Territories, destroy all the values we had absorbed while growing up in this country.
- We, who understand now that the price of Occupation is the loss of IDF's human character and the corruption of the entire Israeli society.
- We, who know that the Territories are not Israel, and that all settlements are bound to be evacuated in the end.
- We hereby declare that we shall not continue to fight this War of the Settlements.
- We shall not continue to fight beyond the 1967 borders in order to dominate, expel, starve and humiliate an entire people.
- We hereby declare that we shall continue serving in the Israel Defence Forces in any mission that serves Israel's defence.
- The missions of occupation and oppression do not serve this purpose – and we shall take no part in them.
